

Your baby's care

Measuring standards and improving neonatal care

NNAP

National Neonatal
Audit programme

What we have done in response to our NNAP 2020 data results:

Our current areas of quality improvement focus are:

What can you do next?

Learn more about this unit

Find out more about this neonatal unit's NNAP results by going to the NNAP Online reporting tool at: www.nnap.rcpch.ac.uk

Ask a nurse

Ask your neonatal nurse for more information about your unit's NNAP results and their plans for improvement.

Learn more about NNAP

Learn more about what the NNAP does and how your baby's information is used to support improvement by going to: www.rcpch.ac.uk/nnap

If you need support

Ask a member of the neonatal unit staff for support. Help is also available from Bliss, the UK charity for babies born premature and sick, at: www.bliss.org.uk
